

My Bio:

Name: Chew Yuan Chuan

Date of Birth: 19 July 2001

Hobbies: Card games, taking walks

Running For: Secretary

About Me:

- Currently a 2nd Year in Bsc Biomedical Sciences
- Born with refractive amblyopia, or "lazy eye", which meant I needed glasses as early as kindergarten
- Born left-handed, but was made to become right-handed in kindergarten
- Took German, French and Korean classes during polytechnic days only to realise I didn't like talking to people anyway

Relevant Experiences:

Staff Assistant for 2 years in the Singapore Police Force:

- Organised and managed flow of hundreds of case files every day
- Consistently managed multiple roles simultaneously at maximal efficiency

Relevant Experiences:

Worked warehouse for ~6 months:

- Managed distribution of goods to Guardian stores countrywide
- Sorted and performed QC on thousands of products accurately every day
- Managed stock inventory of defective/unreleased products etc

Why I'm running:

I will be running for secretary because I enjoy organising information and keeping everyone informed.

With my pre-existing experience in various management positions, I would be able to greatly contribute to the society by keeping operations running smoothly behind the scenes and easing the responsibilities on the other committee members.
