Why do I want to be your Careers Secretary?

- Interviews and assessment centres are scary but *I'm here to help*
- LawSoc will empower you to write your best CV, customise your cover letter and demonstrate commercial awareness. I want to facilitate that support by organizing workshops and events
- I landed my dream job of 5 years when my LinkedIn profile caught a recruiter's attention. I will give you tools to do the same
- *It is my goal to deliver a memorable Careers Dinner this November*
