BSC BIOTECHNOLOGY WITH ENTERPRISE

Assalamu alaikum!

My name is Waleed, a
Palestinian born in Leeds. I've
always had a deep connection
with the Muslim community
here, and my passion for Islam
has been a big part of who I am.
I'm eager to bring my skills and
creativity to the Leeds ISoc,
helping to promote events and
connect with more students in
ways that truly make a
difference, inshaAllah.
