WHO I AM

Hello everyone! I am Malek (yeah, that's my real name), and I am a first year Chemical Engineering student. I look forward to keeping our beloved society running smoothly as your next Secretary!

MANIFESTOS

- **Member-Driven Feedback**
 - A quick feedback form after every event so your ideas directly shape future improvements.
- **Reviving *Perantauan* Post**
 - Revive and maintain a monthly update to keep everyone informed about events and society highlights of the month.
- **More Inclusive Society**
 - Everyone should feel welcomed and represented, because after all, Leeds is a home away from home!
