

Leeds Barbell Kit Secretary Will Payne

About me...

I'm a 2nd year International Business student who began Olympic Weightlifting when joining the society this September.

I love the idea for a new Kit Sec and am open to everyone's ideas for potential products for me to design and order for everyone.

The Merch is a great idea to bring together the society in training and socials. I believe we can expand our current products (t-shirts and singlets) into different areas such as accessories (Belts, Tape and potentially Straps and Wraps) Furthermore adding more t-shirts, expanding potentially into vests, shorts, joggers, socks and jumpers.

Most importantly a Leeds Barbell PUMP COVER!!!!

Leeds Barbell Belts

I have already designed and ordered a prototype team belt!! This is the weightlifting version but there is also a powerlifting version.
