## for Pom sec!

## Why me?

- I'm really organised and know what is going on when!
- I'm always happy to help people out so would love to be able to do that for everyone on Pom next year
- Pom has been such an important part of my first year so I would love to be more involved next year
- I work really well in a team so would enjoy working alongside the coaches and captain!
- Want to be apart of making Pom and the whole society an amazing experience for freshers and returners!

## My ideas!

- Keep the compulsory extra training - make sure everyone knows when this it at the start of the year so everyone can come.
- Offer studio bookings to freshers throughout the year, if they feel they need more support!
- Potential skill sessions throughout the first term - to improve on skills like jumps, tricks etc

## About me:

- I'm a 1<sup>st</sup> year psychology student
- Always been dancing!
- Probably the most type A person ever x
- BUT Love a night out
